MINISTRY OF LABOUR AND EMPLOYMENT

New Delhi, the 28th March 1960

G.S.R. 374.—In exercise of the powers conferred by sub-section (1) of section 7 of the Employees' Provident Funds Act, 1952 (19 of 1952) the Central Government hereby makes the following further amendment in the Employees' Provident Funds Scheme, 1952, namely:—

After paragraph 68-A of the said Scheme, the following paragraphs shall be inserted, namely:—

“68-B.—*Advance from the Fund for the purchase of a dwelling house or a dwelling site or for construction of a dwelling house.*

(1) The Commissioner may, on an application from a member, sanction from the amount standing to the credit of the member in the Fund an advance of an amount not exceeding his twelve months' basic wages or his own total contributions with interest thereon, whichever is less, for purchasing a dwelling house, or a dwelling site or for the construction of a dwelling house:

Provided that where the advance is sanctioned for the purchase of a dwelling site, the amount that shall be initially paid towards such advance shall not exceed six months' basic wages of the member or half of his own total contributions with interest thereon, whichever is less, and the balance which shall not exceed six months' basic wages of the member or his own total contributions with interest thereon then standing to his credit, whichever is less, may be paid to the member at his request at the time of the construction of a dwelling house on such dwelling site:

Provided further that where the advance is in respect of the construction of a dwelling house it may be sanctioned in such number of instalments as the Commissioner thinks fit.

(2) No advance under sub-paragraph (1) shall be sanctioned unless a member has completed ten years' membership of the Fund and unless his own total contributions with interest thereon in the amount standing to his credit in the Fund is one thousand rupees or more.

(3) Where an advance is sanctioned for the construction of a dwelling house, the construction shall commence within six months of the withdrawal of the first instalment and shall be completed within six months of the withdrawal of the final instalment. In the case of purchase of a dwelling house or a dwelling site, the purchase shall be completed within six months of the withdrawal of the amount.

(4) Except in the cases specified in sub-paragraph (5), no further advance shall be admissible to a member under this paragraph.

(5) The Commissioner may grant a further advance to a member not exceeding his six months' basic wages or his own total contributions with interest thereon standing to his credit in the Fund, whichever is less, if he is satisfied that the member genuinely requires the further advance—

(a) for the additions necessary to the dwelling house already constructed or purchased; or

(b) for completing the construction of the dwelling house already commenced.

(6) Where the advance applied for is for purchasing a dwelling site or a dwelling house, the advance shall not be granted unless the dwelling site or as the case may be, the dwelling house is free from encumbrances. No advance shall be granted for purchasing a share in a joint property or building a house on land owned jointly.

(7) If the advance granted under this paragraph exceeds the amount actually spent for the purpose for which it was sanctioned, the excess amount shall be refunded by the member to the Fund within thirty days of the finalisation of the purchase or as the case may be, within thirty days of the completion of the construction of, or necessary additions to, a dwelling house.

(8) If the Commissioner is satisfied that the advance granted under this paragraph has been utilised for a purpose other than that for which it was granted, or that the conditions of advance have not been fulfilled, or that there is a reasonable apprehension that they will not be fulfilled wholly or partly, or that the excess amount will not be refunded in terms of sub-paragraph (7), the Commissioner shall forthwith take steps to recover the amount due with interest at the rate not exceeding 6½ per cent per annum thereon, from the wages of the member in such number of instalments as the Commissioner may determine. For the purpose of such recovery, the Commissioner may direct the employer to deduct each such instalment from the wages of the member and on the receipt of such direction the employer shall deduct accordingly. The amount so deducted shall be remitted by the employer to the Commissioner within such time and in such manner as may be specified in this behalf by the Commissioner, for being credited to the member's account.

(9) Where any advance granted under this paragraph has been misused, no further advance shall be granted to the member under the said paragraph.

68-C.—Advance from the Fund towards the allotment of a tenement constructed or to be constructed under Subsidised Housing Schemes for Industrial Workers.

(1) Where any tenements have been constructed or are to be constructed by any State Government or co-operative society under the Subsidised Housing Scheme for Industrial Workers, a member, who has completed seven years' membership of the Fund and whose own total contributions with interest thereon in the amount standing to his credit in the Fund is not less than seven hundred and fifty rupees, may authorise the Commissioner in such manner, as may be approved by him, to remit from his account in the Fund to such State Government or co-operative society of which he is a member, a sum not exceeding his twelve months' basic wages or his own total contributions with interest thereon, or his own share of cost, whichever is less, towards the allotment of such tenement.

(2) The Commissioner, on being satisfied that the authorisation has been made in the manner approved by him, shall thereupon remit such sum to the State Government or cooperative society, as the case may be.

(3) In the event of the member not being able to get an allotment under the said Scheme, or in the event of the cancellation of an allotment made to a member under that Scheme, the member concerned shall be liable to refund to the Fund the amount remitted to the State Government or the co-operative society under this paragraph within fifteen days of the receipt thereof. Any sum so refunded shall be credited to the member's account.

(4) No second advance shall be admissible to a member under this paragraph.

(5) In this paragraph the expression "co-operative society" means the society registered or deemed to be registered under the Co-operative Societies' Act, 1912 (2 of 1912), or under any other law for the time being in force in any State relating to co-operative societies.

68-D.—Advance from the Fund to be non-refundable.

Except as otherwise provided, the advances made under paragraphs 68-B and 68-C shall be non-refundable.

68-E.—Computation of period of membership.

In computing the period of membership of the Fund of a member under paragraph 68-B or paragraph 68-C, his total service exclusive of periods of breaks under the same employer or factory or other establishment before this Scheme applied to him as well as the periods of his membership, whether of the Fund or of private provident funds of exempted factories or other establishments or provident funds exempted under paragraph 27, immediately preceding the current membership of the Fund, shall be included:

Provided that the member has not served his membership by withdrawal of his provident fund during such period.

68-F.—Restriction on grant of advance.

A member may be granted an advance either under paragraph 68-B or under paragraph 68-C but not under both."
